

Forgot your password of your Datamail Account?

If you forgot your password of Data mail, Don't Worry you can reset new one.

To login in to your data mail account enter the link <https://mail.datamail.in/>

➤ Go to the Forgot password option.

- Select Email ID or submit new one on which you want to receive reset password link

The screenshot shows a window titled "Forgot Password" with a close button in the top right corner. On the left, there is a vertical list of steps from Step 1 to Step 5. Step 1 is highlighted with a red vertical bar. The main content area contains an email input field with an envelope icon and a placeholder email address. Below the input field is the text "Provide your email address". At the bottom right of the main area is a blue button labeled "Next" with a right-pointing arrow. At the bottom of the window, there is a note: "Press Ctrl+g to toggle between Selected language and English". A language dropdown menu in the top right corner shows the Hindi character "अ".

- Another option to submit Answer for security questions

The screenshot shows the same "Forgot Password" window, but now Step 3 is highlighted with a red vertical bar. The main content area displays a heading "Please Enter Fields Required" followed by a question: "What is your favourite pass-time?". Below the question are three input fields: "Answer" (with a flame icon), "City" (with a house icon), and "Country" (with a flag icon). The text "Provide hint answer" is positioned above the "City" field, and "Provide your city name" is above the "Country" field. At the bottom right of the main area are two blue buttons: "Previous" with a left-pointing arrow and "Next" with a right-pointing arrow. The note "Press Ctrl+g to toggle between Selected language and English" is visible at the bottom. The language dropdown menu in the top right corner shows the Hindi character "अ".

- After Selection on step 4 you can enter your new password.

The image shows a 'Forgot Password' dialog box with a blue title bar. On the left, a vertical sidebar lists five steps: Step 1, Step 2, Step 3, Step 4, and Step 5. Step 4 is highlighted with a red vertical bar. The main content area is titled 'Please Enter Your New Password' and contains two password input fields. The first field is labeled 'Password' and the second is labeled 'Renter your new password'. Below the second field is a blue 'Next' button with a right-pointing arrow. At the bottom of the dialog, there is a hint: 'Press Ctrl+g to toggle between Selected'. The dialog also features a close button (X) in the top right corner and a scroll bar on the right side.

- On Step 5, your password will be changes successfully.
